Who We Are

We are a South African women owned company established in 2014, with a goal to provide quality workmanship along with a trustworthy relationship with our customers.

RPSM Construction has many years of skilled experience in the construction industry, providing our clients with modern, creative solutions that best suit their requirements.

Our management staff have a complimentary experience in project management and site supervision.

We are committed to safety, quality, integrity and excellence in everything we do.

Our mission is to build lasting structures and relationships that add value to our clients, communities and the environment.

Our Aim

RPSM Construction has a vision to be acknowledged in the construction industry for cost-effective and sustainable business solutions which are provided safely and on time.

We meet and exceed our customers expectations by managing projects efficiently and effectively, at the same time controlling costs, managing and coordinating resources and encouraging participation from clients ensuring project goals are achieved.

Our Services

We offer a comprehensive range of construction and related services, delivered with professionalism, efficiency and a commitment to quality.
